

The Couple Mentor Journey

for all engaged and newly married couples!

We maintain our finances, cars, houses... What about marriage? Do you believe that your spousal relationship needs to be frequently maintained? We certainly do!

Start your marriage well and build a sound foundation for your lives together.

The Catholic Archdiocese of Singapore has introduced the Couple Mentor Journey (CMJ), a parish-based journey programme.

Learn tools and tips on how to love your partner smartly, in the comfort and companionship of your Couple Mentor's home. Engage in one-on-one sessions with your mentor at your own pace.

The Couple Mentor Journey (CMJ): An invitation to JOURNEY with a Couple Mentor

The CMJ is for engaged and newly married couples who want to strengthen the foundation of their relationship and marital bond.

How much will it cost?

The cost is \$98, which will cover a set of Couple Workbooks used during the journey.

When can we join?

You can take this journey **before or after your wedding**, at a time that suits you and your couple mentor.

“But we’ve already been through MPC and EE!”

It is critical to put our knowledge into practice. It is very common for couples not to apply what they learn - about marriage and about each other.

Experiential learning is the most effective way to apply knowledge in our lives. With CMJ, you will get an opportunity to journey with a couple mentor closely.

There is an urgent need for us to nurture our marriages.

Couples cannot walk alone. We need the grace of God and the support of the Church’s community to sustain, nourish and strengthen our marriage.

The CMJ Path

Adam and Eve love each other and are ready for marriage.

There is much to prepare on the way to their wedding. But they have not forgotten about the most important aspect of marriage preparation: **continual faith guidance.**

Having 'graduated' from Catholic Engaged Encounter and the Marriage Preparation Course, Adam and Eve approach their priest, Fr Abraham, for advice, who recommends the **Couple Mentor Journey (CMJ)**. Adam and Eve soon sign up for the programme through the **ACF Website**.
